Tasty agent

Hello...

'Ello.

What happened to you? You look like a corpse.

Was your milk spoiled?

I only had water...

Then I guess the water was spoiled!

パカ

I recommend Earl Grey and Hibiscus...

No, I don't feel like having tea this morning... Sorry, Lukas.

Your "little brother" is having trouble starting his engine, miss! I believe a good spanking would help!

Aaahahaha!

Well, that's no good! You have to wake up now! Stiffen up!

...

And watch your fingers so she doesn't bite you.

Don't forget to make Arya's breakfast.

I can hear it through your voice.

If you're fine, then all is well.

Uh...

Hello...

Good day, sir.

...

...

Just like I do every day. Another perfectly normal day starts...

I'm also making sure my rabbit, Arya gets fed its vegetables.

Indeed.

Was that... "Mrs. 10am Marie"?

GRRRRUMble

On the road-side of Zheltyy street...

You'll be taking the car in 20 minutes, alright?

Ah, hey.

Mm.

You shouldn't stay on an empty stomach, driver!

Nice answer!

Three minutes.

Double.

Earl Grey.

Yeah...

Patrol?

Yes.

The daily patrol...

GRUUU

This morning...

I made a sandwich.

Ham and cheese.

No flame required...

It's simple to make...

Urk...

Erm... About last night...

...that I made too much for one person to eat.

So simple in fact...

Ideally...

It'd need to be someone who looks awful today...

And that, by pure chance, only had a glass of water this morning...

!

Now, who could help me eat this excessively large sandwich, hmm...

...

...

...

Sorry? What's that?

No, nothing...

ギッ

Your hearing is a little too sharp.

I still wanted to...

..I..
That's the exact thing I didn't want to hear!
Stop!
So, about the sandwich...
Will you eat it, yes or no?
Still, I thought about it...
Of course I will!
I'll be Gladly! eating it!

Lukas!

I knew you'd give in and have a cup!

I also recommend the Darjeeling and Blood Orange blend...

No.

Give me two herbal teas. Do you still have lavender?

And a knife...

I need it to cut up a sandwich...

This time you've softened up.

You think so?

I'm telling you...

It'll be ready in three and a half minutes.
